Contributing Building**

Inventory listing:

Commercial. Two-story, one-bay brick commercial building with a flat roof and concrete coping. Casement windows with spandrels of Carrera glass. Aluminum storefront with small ceramic tile base and single-leaf door.

The building at 22 Campbell Avenue, S.W. was constructed in 1953 and served as the Federal Bake Shop and then the Carol Ann Bake Shop until 1967. The two-story brick building is commercial in design with a mid-20th century aesthetic in its simple, modern detailing of the black Carrera glass on the storefront and upper façade, the aluminum and plate glass storefront, and the aluminum windows on the second story with horizontal divided lights. The storefront was altered when it became a shoe shop ca. 1970 with tile replacing the Carrera glass and the entrance further recessed. The upper story remains intact and in good condition. The interior featured a retail space in the front with ovens at the rear. Additional baking equipment and supplies were kept on the upper floor. Plans are underway to rehabilitate the building and reconstruct the original storefront based on a ca. 1953 photo.

The building has a similar street appearance to adjacent buildings in the neighborhood, and overall maintains its historic character in scale, design and materials, as a contributing resource within the commercial area of the district. This building was originally listed as non-contributing (based upon 1952 period of significance cut-off date) on Page 13 of Section 7 of the original Roanoke Downtown Historic District listed in September 2002.

8. Statement of Significance

The Roanoke Downtown Historic District was originally listed in June 2002 on the Virginia Landmarks Register and in September 2002 on the National Register of Historic Places. The district is significant under Criterion A for its commerce and politics/government as well as under Criterion C for its architecture. When this district was listed, the building at 22 Campbell Avenue, S.W. was outside of the period of significance and therefore was considered non-contributing.

The Federal Bake Shop at 22 Campbell Avenue, S.W., constructed in 1953, contributes to the significance of the Roanoke Downtown Historic District as it serves as a commercial building on one of the major thoroughfares in downtown Roanoke. Originally constructed for the Federal Bake Shop, the building served to produce and sell baked goods, as was typical of smaller industries in the early 20th century. The building's streamlined, modern design with Carrera glass panels, aluminum, and plate glass, fits in with the wide range of commercial styles dating from the late 19th to the mid-20th century represented in the historic district. Although the storefront has been altered, the upper story and façade is intact and the interior retains some evidence of its earlier use as a bakeshop.
